

XEROX

Dear Customer:

This box (Product Code 66U-A) contains the **8010 Xerox ViewPoint and VP Applications 2.0.6 (Diskette Library)** for your Xerox 8010 Information System. You may enable those applications for which you have a license.

The license agreement for your software was attached to the exterior of this container in an envelope. Be sure to read this document carefully.

The attached packing list itemizes the contents of this box. Please check the contents against the list and notify your Xerox Representative if any items were omitted. For an overview of the entire ViewPoint product family see the *Roadmap to ViewPoint* contained in Product Code 66U-T.

Thank you for your business.

Legend:

1. Model indicators legend:

- A - 8010 Diskettes
- B - 6085 Diskettes
- C - Cartridge Tape (6085 Software)
- L - Licensing
- R - Reference (or Reference and Training)
- T - Training

2. In the documentation columns, the page count for the individual documents is contained in square brackets. The **bolded** number indicates the number of pages that are changing.

3. Each bullet, "-", indicates that start of a new set (either diskettes or documentation).

4. Any item that has changed since a previous release is **bolded**. If the item is new it is **bold underlined**.
